

PRIVACY IMPACT ASSESSMENT (PIA)

For the

Freedom of Information Act Express (FOIAXpress)

US Army Medical Department - DHP Funded System
--

SECTION 1: IS A PIA REQUIRED?

a. Will this Department of Defense (DoD) information system or electronic collection of information (referred to as an "electronic collection" for the purpose of this form) collect, maintain, use, and/or disseminate PII about members of the public, Federal personnel, contractors or foreign nationals employed at U.S. military facilities internationally? Choose one option from the choices below. (Choose (3) for foreign nationals).

- (1) Yes, from members of the general public.
- (2) Yes, from Federal personnel* and/or Federal contractors.
- (3) Yes, from both members of the general public and Federal personnel and/or Federal contractors.
- (4) No

* "Federal personnel" are referred to in the DoD IT Portfolio Repository (DITPR) as "Federal employees."

b. If "No," ensure that DITPR or the authoritative database that updates DITPR is annotated for the reason(s) why a PIA is not required. If the DoD information system or electronic collection is not in DITPR, ensure that the reason(s) are recorded in appropriate documentation.

c. If "Yes," then a PIA is required. Proceed to Section 2.

SECTION 2: PIA SUMMARY INFORMATION

a. Why is this PIA being created or updated? Choose one:

- New DoD Information System
- Existing DoD Information System
- Significantly Modified DoD Information System
- New Electronic Collection
- Existing Electronic Collection

b. Is this DoD information system registered in the DITPR or the DoD Secret Internet Protocol Router Network (SIPRNET) IT Registry?

- Yes, DITPR Enter DITPR System Identification Number
- Yes, SIPRNET Enter SIPRNET Identification Number
- No

c. Does this DoD information system have an IT investment Unique Project Identifier (UPI), required by section 53 of Office of Management and Budget (OMB) Circular A-11?

- Yes
- No

If "Yes," enter UPI

If unsure, consult the Component IT Budget Point of Contact to obtain the UPI.

d. Does this DoD information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information should be consistent.

- Yes
- No

If "Yes," enter Privacy Act SORN Identifier

DoD Component-assigned designator, not the Federal Register number.
Consult the Component Privacy Office for additional information or
access DoD Privacy Act SORNs at: <http://www.defenselink.mil/privacy/notices/>

or

Date of submission for approval to Defense Privacy Office

Consult the Component Privacy Office for this date.

e. Does this DoD information system or electronic collection have an OMB Control Number?

Contact the Component Information Management Control Officer or DoD Clearance Officer for this information.

This number indicates OMB approval to collect data from 10 or more members of the public in a 12-month period regardless of form or format.

Yes

Enter OMB Control Number

Enter Expiration Date

No

f. Authority to collect information. A Federal law, Executive Order of the President (EO), or DoD requirement must authorize the collection and maintenance of a system of records.

(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be the same.

(2) Cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply.)

(a) Whenever possible, cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.

(b) If a specific statute or EO does not exist, determine if an indirect statutory authority can be cited. An indirect authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

(c) DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component should be identified.

5 U.S.C. 552, Freedom of Information Act, as amended by Pub.L. 93-502; 5 U.S.C. 301, Departmental Regulations, 10 U.S.C. 3013, Secretary of the Army; Army Regulation 25-55, The Department of the Army Freedom of Information Act Program; and E.O. 12958, National Classified Security Information, as amended.

g. Summary of DoD information system or electronic collection. Answers to these questions should be consistent with security guidelines for release of information to the public.

(1) Describe the purpose of this DoD information system or electronic collection and briefly describe the types of personal information about individuals collected in the system.

FOIAXpress is a Web based application used by the Freedom of Information Act (FOIA) office to track FOIA requests and process responsive records. Users enter request and request data into the system, calculate billing and apply administrative fees, and redact documents for release to requestors under FOIA. FOIAXpress is a reporting tool for FOIA request metrics, and is used to run the Department of Justice (DOJ) Annual Report. This suite of products includes: RedactXpress, ScanXpress, and FOIAXpress PAL. FOIAXpress provides for long term storage and centralized record retrieval.

FOIAXpress collects and stores: Name, Address, Phone and Fax Numbers, Email Addresses, Organization, and Job Title, when available, for each requestor. Also, for redaction purposes, the Document Manager module stores scanned copies of supporting documents such as Medical Records, Family Advocacy Program (FAP) Records, AR 15-6 Investigations, Medical Contracts, and other medical and legal documents.

(2) Briefly describe the privacy risks associated with the PII collected and how these risks are addressed to safeguard privacy.

The privacy risks associated with the PII collected are unauthorized access, inaccurate information entered into the application, and unauthorized disclosure of PII. Security safeguards are in place to mitigate these risks. The specific security safeguards are addressed in Section 3 below.

h. With whom will the PII be shared through data exchange, both within your DoD Component and outside your Component (e.g., other DoD Components, Federal Agencies)? Indicate all that apply.

Within the DoD Component.

Specify.

PII is shared with the FOIA/PA offices within the US Army Medical Command organizations.

Other DoD Components.

Specify.

Other Federal Agencies.

Other (e.g., commercial providers, colleges).

Specify.

i. Do individuals have the opportunity to object to the collection of their PII?

Yes

No

(1) If "Yes," describe method by which individuals can object to the collection of PII.

PII is submitted voluntarily in writing. Individuals have the opportunity to object by choosing not to submit their information.

(2) If "No," state the reason why individuals cannot object.

j. Do individuals have the opportunity to consent to the specific uses of their PII?

Yes

No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

PII is submitted voluntarily in writing. Individuals have the opportunity to object by choosing not to submit their information.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

k. What information is provided to an individual when asked to provide PII data? Indicate all that apply.

| <input type="checkbox"/> Other | <input checked="" type="checkbox"/> None |

Describe each applicable format.

FOIAXpress is a system of records collecting PII to process FOIA and Privacy requests. Individuals voluntarily submit this information and control the PII elements submitted in their request. Any further PII collected is solely applicable for the purpose of providing guidance and/or ensuring accurate processing of requests. A Privacy Act Statement is not required for this type of collection.

NOTE:

Sections 1 and 2 above are to be posted to the Component's Web site. Posting of these Sections indicates that the PIA has been reviewed to ensure that appropriate safeguards are in place to protect privacy.

A Component may restrict the publication of Sections 1 and/or 2 if they contain information that would reveal sensitive information or raise security concerns.
